**§ 722.135 Amount of benefits, computation.**

(a) Section 412(a) of the Act sets forth the amount of benefits for total disability or death due to pneumoconiosis to which an individual shall be entitled, the extent of such entitlement and persons so entitled. No State workmen's compensation law shall be included on the Secretary's list if it does not, in every case, provide benefit amounts which are substantially equivalent to or greater than those amounts to which an eligible individual would be entitled under section 412(a).

(b) No State workmen's compensation law which arbitrarily limits the total amount of benefits to which an eligible individual may be entitled over such individual's lifetime shall be included on the Secretary's list.

No State workmen's compensation law shall be included on the Secretary's list if it does not guarantee that the minimum amount of benefits payable to any beneficiary or dependent shall be substantially equivalent to or greater than the amount to which such beneficiary or dependent would be entitled if the claim were paid under section 412(a) of the Act, notwithstanding any provision contained in the State workmen's compensation law which requires the computation of benefit amounts based upon the miner's average weekly or monthly wage.

**§ 722.138 Offsets for Federal benefits prohibited.**

No State's workmen's compensation law shall be included on the Secretary's list if such law requires that pneumoconiosis benefits payable to any individual shall be offset by any amount to which such individual is or may be entitled on account of total disability or death due to pneumoconiosis under any law of the United States.

**§ 722.139 Lump sum awards; settlement.**

No State workmen's compensation law shall be excluded from the Secretary's list solely on the grounds that such law permits lump sum awards, or commutation or settlement of claims or awards: *Provided*, That (a) such lump sum award or commutation or settlement is approved by an appropriate State agency; (b) such lump sum award, commutation, or settlement is equal to the present value of future benefits payments commuted, computed at no less than 4 percent true discount compounded annually; (c) accepted and reliable tables of probabilities are used for the purpose of
